Trails across the Central North Island.

Please refer to text for up-to-date Trail Grades

Welcome to the Central North Island's Greatest Rides.

Not mountain bike parks but adventure journeys along quiet by-ways, and flowing single track, gravel paths and spectacular journeys along rivers.

Our nine rides take you from beaches to mountains, through vineyards to forests, following rivers and old rail trails, each are replete with stories and nature, it is the perfect place for memories to be formed and shared.

We are here to help connect the trails and journeys that suit your clients – so give us a brief and we'll connect you.

We are part of the Great Rides Network

Choosing Great Rides

The Ngā Haerenga Great Rides of the New Zealand Cycle Trail network are predominantly off-road trails. They showcase the best of New Zealand's landscapes, environment, culture, and heritage. The trails are located around the country from Northland to Southland. Local communities and some government support co-fund the Great Rides, which provide a healthy and enjoyable way for New Zealanders and international visitors to see the country.

All Great Rides meet high standards of trail maintenance, customer experience and support.

Supporting the Great Rides

Customers and operators can support the Great Rides in two ways to ensure they continue to deliver a great sustainable experience now and into the future:

- Encourage customers to complete the trail survey for each ride (often there will be QR codes on the trail maps or a link can be supplied for inclusion in itineraries.). These surveys help us build business cases for funding and support.
- Donate – consider a donation to these free to ride trails. Most of the rides have a charitable trust entity, and a link from the website. Alternatively, some Official partners may choose to add a voluntary donation to trips which goes directly to the trails so we can all thrive off the maintenance and developments.

Environmental Sustainability

Our cycle trails work with our partners to deliver the best environmental performance: in our own operations and, where possible, in enabling trails users and operators to minimise their footprint and create positive environmental change.

As a cycle trail, we are well placed to support tourism that has a minimum environmental footprint and takes a responsible and engaged community approach.

- The trails and our partners support and promote extensive environmental restoration on new build sections of the trails (recognising that significant sections are within National Parks and other conservation areas).
- The trails are an active signatory to Tourism Sustainability Commitment, and the promotion of the Tiaki Promise run by Tourism Industry Aotearoa.

TIAKI MEANS TO CARE FOR PEOPLE AND PLACE. THE TIAKI PROMISE IS A COMMITMENT TO CARE FOR NEW ZEALAND, FOR NOW AND FOR FUTURE GENERATIONS.

HOW TO CARE FOR NZ:

BE PREPARED

DRIVE CAREFULLY

KEEP NZ CLEAN

PROTECT NATURE

SHOW RESPECT

TIAKI.NEWEZEALAND.COM | #TIAKIPROMISE

Choosing the Right Trail Grades for your Customers

(And getting the communication right)

All Great Rides meet specified standards, and are graded to help ensure that customers can choose the ride that best suits their skills, endurance, and the bike that they are riding (and with the right gear for the condition too)

Our official partners can supply the right equipment and advice for your clients.

Grade	What to expect
1 - Easiest	<ul style="list-style-type: none"> Suitable for all riders. Mostly off-road trails wide enough for side-by-side riding, with some gentle climbs. Most bikes are suitable, including E-bikes, touring bikes, hybrid bikes and children's bikes. These rides tend to have good road access.
2 - Easy	<ul style="list-style-type: none"> Suitable for most riders. Mostly off-road trails wide enough for riding two abreast, some sections may require riding single file. Surfaces are generally smooth, with some gentle hills. A multi-geared bike with medium to wide knobby tyres is recommended.
3 - Intermediate	<ul style="list-style-type: none"> Suitable for reasonably fit and capable riders. Most of the trail is single file, and / or the surface may be rough, with hills and low-level obstacles (tree roots, rocks etc). Some sections may be on-road with open road traffic. A mountain bike is recommended for off-road sections. E-MTBs, with sufficient battery capacity, are suitable provided riders can complete the trail in the event of a battery/power failure.
4 – Advanced	<ul style="list-style-type: none"> Suitable for fit, experienced cyclists with good off-road and/or on-road skills, a high level of fitness and over 12 years of age; children should be accompanied by an adult. A quality, well-maintained mountain bike is recommended for off-road trails. E-bikes are not permitted on Grade 4 off-road trails, therefore the responsibility for e-bike use remains with the individual.
5 – Expert	<ul style="list-style-type: none"> Suitable for fit, experienced off-road cyclists with good technical skills and a high level of fitness. Not suitable for children. Off-road trails are likely to be challenging with long, steep climbs, precipitous descents, and dangerous drop-offs as well as rocks, roots, ruts, and potentially hazardous river crossings.

See the best of New Zealand by Bike!

Trail Grade 	Grade 1 <p>The laid-back Hauraki Rail Trail is a Great Ride for all ages and abilities. With its gentle terrain and abundance of accommodation, cafes, and restaurants in quiet country towns, it's one of the easiest and most satisfying trails in the North Island.</p>
Length	160km, into five separate sections.
General Ride Time	Pick off any of the five sections as day rides or ride the entire network over 3 – 4 days.
Location	The Hauraki Rail Trail traces the Firth of Thames onto the Hauraki Plains connecting the towns of Kaiaua, Thames, Paeroa, Te Aroha, and Waihi, before ending up at Matamata.
Logistics	Bike hire, shuttles, luggage transfers, tours and accommodation are available from operators based on and around the Trail, with Thames, Waihi and Paeroa the major hubs.
Seasons	<p>All year.</p> <p>This region enjoys some of New Zealand's best weather, which makes the Hauraki Rail Trail a good all-year-round ride.</p> <p>Temperatures range between 24-31°C in the summer months, and average around 12-14°C in the middle of winter, although at night it can be colder.</p> <p>We recommend you always carry water, some energy food, and a repair kit. In winter, carry some warm clothes and a rain jacket. A lack of shade on the Plains makes sunblock essential in summer.</p>
Support Material	Download the map from the website or pop into one of the information centres along the Trail.

HAURAKI RAIL TRAIL MAP

HAURAKI RAIL TRAIL GUIDE INFORMATION

Section	Distance / Est Time Reqd.	Trail Grade	Trail Highlights
Section A: Kaiaua to Thames	55km 5 – 6 hours	1	<ul style="list-style-type: none"> Starting from Kaiaua in the North, this section of trail follows in the footsteps of an early Māori settler, Te Aho. As it winds around the edge of the shallow Firth of Thames over chenier shell banks, the trail passes through wetlands of international importance. The abundance of migratory shorebirds provides a magical opportunity to learn about the area's precious birdlife, before heading out to the hides to see them up close.
Section B: Thames to Paeroa	34km 3 – 4 hours	1	<ul style="list-style-type: none"> This richly historic area was once only accessible via the two rivers, Waihou and Hikutaia. Following the old railway line out of Thames township, the trail promises lush farmland and impressive views of the Hauraki Plains and forested Kaimai Ranges. The Cheese Barn at Matatoki is worth a stop. Drop into the Paeroa Historical Maritime Park, once New Zealand's most inland port, and catch the riverboat into town.
Section C: Paeroa to Waihi	24km 2 - 3 hours	1	<ul style="list-style-type: none"> Take your time to explore the most popular section which follows the Ohinemuri River through the spectacular Karangahake Gorge. This distinctly different landscape features the cascading Owcharoa Falls, photogenic gold mining sites, and spooky Windows Walk. Pack a headlamp for the 1100-metre-long railway tunnel, and the Goldfields Railway vintage train is a <i>Must Do</i>. For a little bit of luxury, the Falls Retreat offers award winning dining and boutique accommodation options, and make sure to stop in at the historic Waikino Hotel, with their international award winning distillery, Kaimai Distillery.
Section D: Paeroa to Te Aroha	23km 2 – 3 hours	1	<ul style="list-style-type: none"> Heading south, this leisurely section passes through lush Waikato farmland dotted with dairy cows and farm animals. The Kaimai-Mamaku Ranges and Mt Te Aroha (952m The Mountain of Love), & expansive views over the Hauraki Plains are a feast for the eyes. Pack your togs and make the most of Te Aroha Mineral Spas. It's a great way to soothe pedal weary muscles at the end of a ride.

<p>Section E:</p> <p>Te Aroha to Matamata</p>	<p>37km</p> <p>2 – 4 hours</p>	<p>1</p>	<ul style="list-style-type: none"> • Relax and make the most of this simple journey past goat, dairy and thoroughbred farms. • As you approach Matamata look out for the majestic Wairere Falls - the highest waterfall in the North Island. • Stop at the Firth Tower to enjoy the tranquil gardens and explore the museum displays. • A visit to the Hobbiton Movie Set is a Must Do. Take a Tour, feast like a Hobbit, or simply enjoy a tippie at the Green Dragon Inn.

TE AWA RIVER RIDE

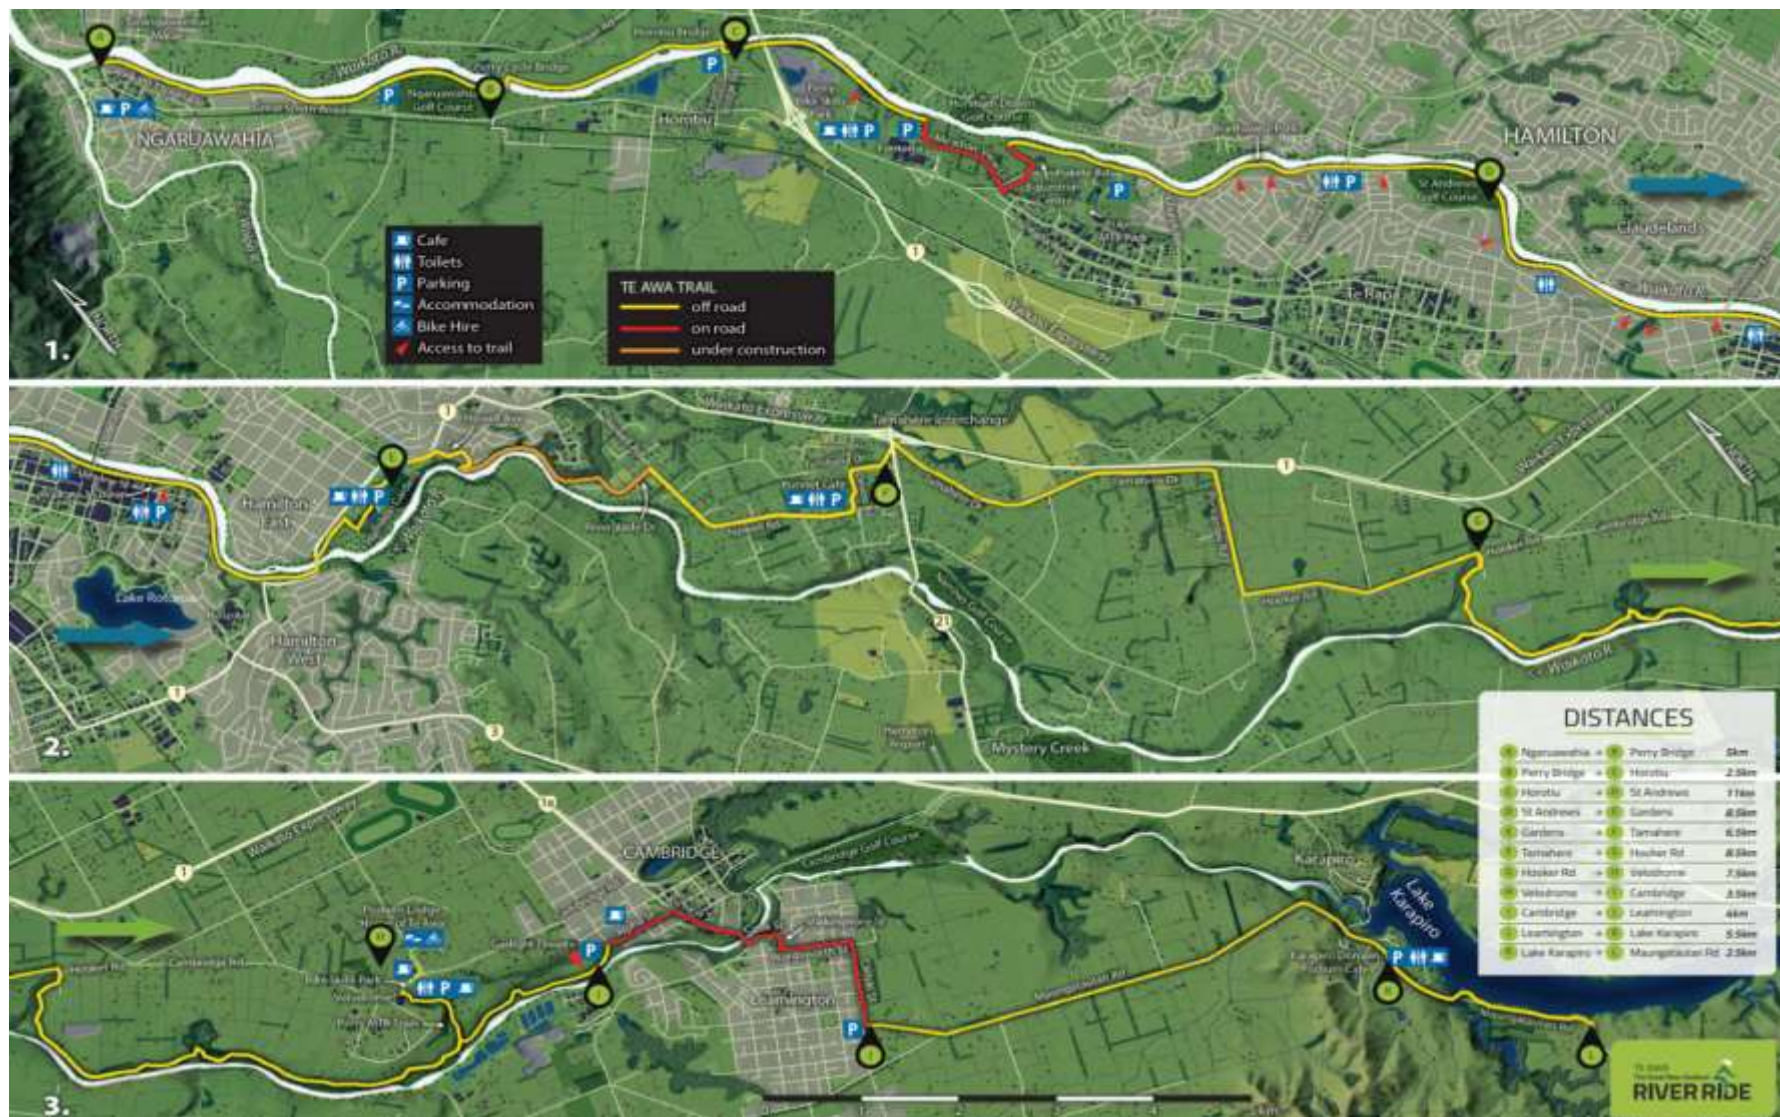

Website	Contact	Contact Details
www.te-awa.org.nz	Sarah Ulmer Trail Manager	info@te-awa.org.nz +64 27 776 6737

City, Town, Country – Connected.

Trail Grade 	<p>Grade 1-2</p> <p>The longest concrete trail of its kind in NZ, Te Awa River Ride is a 65km grade 1-2 trail between Ngāruawāhia and Lake Karapiro.</p>
Length	65kms
General Ride Time	<p>You can pick any of the three sections as day rides – average 2 hours (one way). Alternatively, you can ride the entire network (one way) over a day or 2:</p> <ul style="list-style-type: none"> • Single day - average 5 hours, • Multi day - average 2-3 hours per day.
Location	<p>Located in the Waikato, the trail connects Ngāruawāhia, Hamilton, Cambridge, and Lake Karapiro.</p> <p>With stunning river views, impressive bridges and boardwalks and world-class concrete construction, you are never more than a few kms away from a coffee, while feeling miles away from anywhere.</p>
Logistics	Most riders complete the journey one way using the shuttle providers.
Seasons	<p>All year.</p> <p>Riders in winter need to be prepared for cooler/wet conditions with correct gear. In summer be prepared for hot temperatures with adequate hydration/sun protection.</p>
Support Material	Maps are available free of charge on official website or on request from our official trail partners and local i-Sites.

TE AWA RIVER RIDE TRAIL MAP

TE AWA RIVER RIDE TRAIL GUIDE INFORMATION

Section	Distance/Est Time Reqd.	Trail Grade	Trail Highlights
Ngāruawāhia to Hamilton (Lower Waikato Esplanade, Ngāruawāhia to the Hamilton Gardens)	25km Approx: 1.5 to 2 hours	1-2	Ngāruawāhia is the beginning of your journey! You'll start opposite the significant Tūrangawaewae marae, home of the Māori King and wind your way along the mighty Waikato River for most of the way to Hamilton! Shuttle options at start/finish
Hamilton to Cambridge (Hamilton Gardens to the Gaslight Theatre, Cambridge)	27km Approx: 1.5 to 2 hours		The route between Hamilton and Cambridge is full of variety! You'll pass through native bat colonies, traverse gullies, cross bridges, and elevated boardwalks amidst plenty of civilisation and coffee opportunities! Take a short detour (2km return) to watch NZ's Olympic cyclists at the world-class Velodrome! Shuttle options at start/finish and Tamahere (for shorter option).
Cambridge to Lake Karapiro Gaslight Theatre, Cambridge to Lake Karapiro	13km Approx: 45mins to 1 hour	1-2	As you leave Cambridge, you'll travel past the homes of some of New Zealand's finest racehorses on your way to Lake Karapiro – home to New Zealand's finest rowers! Look out for foals in paddock and rowers on the Lake and make time to stop for a rest or refreshments on the shores of our stunning Lake Karapiro! Shuttle options at start/finish and Velodrome, Cambridge (for shorter option)

WHAKAREWAREWA FOREST LOOP

Website	Contact	Contact Details
rotoruanz.com/whakarewarewa-forest-loop	Lou Baddiley	Lou.Baddiley@rotoruaNZ.com +64 21 226 5031

New Zealand's Newest Great Ride.

Trail Grade	<p>Grade 2</p> <p>Being mostly a Grade 2 track with a couple Grade 3 sections mixed in, the Loop is designed to be accessible for almost all ages, abilities, and fitness levels, as long as you're a confident rider.</p> <p>The trail has been receiving rave reviews. Riders love the variety of uphill, downhill, and flat sections that are interesting, fun, and fairly easy to navigate.</p>
Length	<p>33kms</p> <p>The Loop is a 33km circular, mostly one-way (clockwise) mountain biking trail located in Whakarewarewa Forest (aka The Redwoods) just 10 minutes (by car) from the city centre, making it super quick and easy to get to and fit around your other sightseeing activities.</p>
General Ride Time	<p>Average 4-5 hours</p> <p>Check out the Day Rides section of the Whakarewarewa Forest Loop website on the NZCT webpage for shorter options available.</p>
Location	Rotorua
Logistics	We recommend starting at either Te Pūtaka o Tawa carpark on Tarawera Road, or Waipa carpark off State Highway 5, as both hubs offer plenty of car parking.
Seasons	<p>All year.</p> <p>The forest canopy helps shelter you from cold winter winds and the hot summer sun. The volcanic soil throughout the forest benefits from great drainage, so even after a heavy rain, the trails are rideable shortly afterwards.</p>
Support Material	We suggest grabbing a trail map from one of our three Rotorua i-Site Visitor Information Centres, including the newest one at the Waipa Mountain bike hub.

WHAKAREWAREWA FOREST LOOP TRAIL MAP

Location	<ul style="list-style-type: none"> • Opotiki • Motu • Matawai • Rere • Gisborne
Seasons	<p>All year.</p> <p>The coastal Bay of Plenty and Tairāwhiti Gisborne typically have mild weather. Inland to Motu and Matawai, and on parts of the Pakihi, the altitude of the trails varies between 300 and 750 metres, so it can get cold and misty in winter. Very occasionally it snows. However, in settled weather it is spectacular even in mid-winter.</p> <p>Always be prepared with warm clothing and wet weather gear. In summer, across the region, it is common to have daytime temperatures of 18 - 25°C.</p>
Support Material	<p>You can get printed Trail Maps from Whakatāne, Ōpōtiki or Gisborne i-Site Visitor Information Centres. For the latest news, photos, and track updates check out Motu Trails on Facebook or Instagram.</p>

MOTU TRAILS MAP

MOTU TRAILS GUIDE INFORMATION

Section	Distance/ Est Time Req'd.	Trail Grade	Trail Highlights
Dunes Trail	9km	2	<ul style="list-style-type: none"> Dunes Trail is mostly ridden as an out-and-back trip from Opotiki, taking 2-3 hours. Some ride Dunes Trail as part of a longer journey, heading on to Motu Road. Dunes Trail can be walked and is suitable for many adaptive bikes (contact jim@motutrails.co.nz first for info). Accommodation in Opotiki and the wider district.
Motu Road	55km	3	<ul style="list-style-type: none"> Motu Road can be ridden in either direction. It's very hilly, with 48km of brilliant, remote gravel road. Accommodation at Motu village. The ride takes from four hours to two days. Motu Road links with Pakihi Track, the on-road Rere Falls Trail, and the Dunes Trail.
Pakihi Track	20km	4	<ul style="list-style-type: none"> Pakihi Track is one way only for cycling, starting from Motu Road. It can be walked in either direction. The track is usually ridden in 2.5-4 hours or walked in 5-8 hours, with a hut midway. A longer journey can be created by linking the other trails. Please note, Pakihi Track is an advanced grade track with steep drops and dynamic terrain, so it is essential to find out about the ride before tackling it. Visit the web site or contact jim@motutrails.co.nz for information.
Rere Falls Trail	95km	3	<ul style="list-style-type: none"> Rere Falls Trail is an on-road journey, except for 9km on the Coastal Waipaoa River Trail near Gisborne. Like Motu Road, it's hilly, and it has spectacular farmland views. Rere Falls, Rere Rockslide and Eastwoodhill Arboretum are highlights of Rere Falls Trail. There's accommodation on the way and in Gisborne and the full ride takes most people 1-2 days.

Trail Partner	Services Offered / Location
<p>Cycle Gisborne</p> 	<p>Cycle Gisborne offers an awesome selection of:</p> <ul style="list-style-type: none"> Bike Hire Shuttles (min number applies) Guided tours and supported trips Support for Kōpiko Aotearoa riders <p><u>Raukumara Traverse 4 Day</u></p> <p>Suitable for year-round travel Spectacular in autumn and spring Grade 3 – Intermediate</p> <p>This four-day escape traverses the Raukumara Ranges. The Dunes Trail takes you along stunning coastal dunes, Motu Road Trail rises through magnificent forest and historic farmland, Pakihi Track is a unique forest adventure, and Rere Falls Trail is a superb Heartland Ride. You'll experience stunning scenery and nature during this remote journey. The tour takes you over 175 kilometres of quiet rural roads towards Tairāwhiti Gisborne. There are many spectacular waterfalls such as Motu Falls, Champagne Falls (guided excursions only), Rere Rockslide, and Falls on the route. Eastwoodhill Arboretum, the National Arboretum of New Zealand is a highlight, as are some of Tairāwhiti Gisborne's finest wineries. The tour is slow-paced to enjoy the cycling and walking opportunities along the way. WAIKATO RIVER TRAILS

Website	Contact	Contact Details
waikatorivertrails.co.nz	Glyn Wooller Trail Manager	gwooller@waikatorivertrails.com +64 276 429 399

Follow the River, Follow the Arts, Follow the Adventure!

Trail Grade	Grade 3 – 4 Riders should be fit and experienced to tackle the full journey. There are some short options available.
Length	104km, split into 5 separate sections.
General Ride Time	Choose any one of the five sections as day rides or ride the entire network over 2 - 3 days.
Location	Divided into five sections, each trail is named after the lake the trail is connected to, and most who undertake the whole trail ride from the south to the north, following the river downstream (which isn't all downhill!). The Trails follow the river starting in the south from Atiamuri Village, passing through Whakamaru, Mangakino and Arapuni Villages before finishing at the southern end of lake Karapiro in the North.
Logistics	For those choosing to ride individual sections, riding in either direction is an option. Most independent riders can complete the journey as an out and back. For those wanting shuttles/tours, individual providers provide full itineraries and support.
Seasons	All year. Riders in winter need to be prepared for cooler/wet conditions with correct gear. In summer be prepared for hot temperatures with adequate hydration/sun protection.
Support Material	Maps are available free of charge on request or from our official trail partners.

WAIKATO RIVER TRAILS MAP

River Trail Map

Waikato River Trails

Follow the mighty Waikato River as it twists and turns alongside 104km of trail. Divided into five sections, varying in skill level and with multiple access points, we make it easy to tailor a journey that's just right for you.

WAIKATO RIVER TRAILS GUIDE INFORMATION

Section	Distance/ Est Time Req'd.	Trail Grade	Trail Highlights
1. Karapiro Section	12.5km 1.5 – 2 hours	2-3	<ul style="list-style-type: none"> • The Rhubarb Café in Arapuni village a popular amongst hikers and cyclists to fuel up beforehand. • Cross the historic Arapuni Suspension Bridge. As one of the longest suspension bridges in the county with a span of 152.4 metres, and suspended 54 metres above the river, the spectacular birds-eye views of the dam, river and forest are a thrilling highlight not to be missed – unless you're afraid of heights! • Huihuitaha Wetland, a 500m continuous boardwalk. This wetland is lush with indigenous plants, and is a habitat for Herons, Crakes, the native Fern Bird, and other species that live solely in New Zealand. • Amazing sculptures and viewing frames
2. Arapuni Section	34.6km 4 – 6 hours	3-4	<ul style="list-style-type: none"> • A great starting point at the historic Arapuni Suspension Bridge. • Enroute to Arohena Campground (Dept of Conservation site)
3. Waipapa Section	19km 2.5 – 4 hours	3-4	<ul style="list-style-type: none"> • Waipapa Dam that is one of the few dams with public access available – and enjoy the spectacular river views. • Step into the viewing platform enclosure providing spectacular views of the Maraetai I and Maraetai II dams and power stations – incredible feats of 1950s engineering. • Pass by the remnants of the old concrete plant that was used to build the dam.
4. Maraetai Section	12km 1 – 2.5 hours	2-3	<ul style="list-style-type: none"> • Cross the 70m Mangakino Suspension Bridge which is the mid-way point between Whakamaru and Mangakino, providing stunning views of the river and forest. • Amazing viewing frames for great photo moments.
5. Whakamaru Section	26km 3 - 4 hours	2-3	<ul style="list-style-type: none"> • “Stairway to heaven” – the Ongaroto Bluffs staircase with five flights of steep steps and take in the heavenly 360° view. • Amazing sculptures and viewing frames.

GREAT LAKE TRAIL

Website	Contact	Contact Details
greatlaketrail.co.nz	Bria Jackson Bike Taupō Services Manager	btsm@biketaupo.org.nz

RIDE THE RIM OF A SUPER VOLCANO!

Trail Grade	Grade 3 Flowing off road trails built for mountain bikers that wind around the inlets and headlands of the northern section of Lake Taupo.
Length	87.2km, separated into three sections.
General Ride Time	Ride all three sections over two to three days or pick individual rides according to your fitness, experience, and available time.
Location	Taupō Kinloch Waihaha
Logistics	For those choosing to ride individual sections, riding in either direction is an option. Most independent riders can complete the journey as an out and back. For those wanting shuttles/tours, individual providers provide full itineraries and support. The Waihaha section finishes with a boat transfer back to Kinloch.
Seasons	All year riding on free-draining pumice soil. Riders in winter need to be prepared for cooler/wet conditions with correct gear. In summer be prepared for hot temperatures with adequate hydration/sun protection.
Support Material	Maps are available on request or from local i-Sites and our official trail partners.

GREAT LAKE TRAIL MAP

GREAT LAKE TRAIL GUIDE INFORMATION

Section	Distance/ Est Time Req'd.	Trail Grade	Trail Highlights
Waihaha Section	30 km 3 – 5 hours	3	<ul style="list-style-type: none"> Starting with a shuttle from Kinloch to Waihaha and ending with a boat taxi ride back to Kinloch. Follows the Waihaha River with striking rocky formations giving great views over the volcanic landscape. Visit the spectacular Tieke Falls. Scenic views across the Lake to the volcanoes of Tongariro National Park Enjoy a refreshing dip at Waihora Bay while waiting for your boat.
Kawakawa Section	32 km 4 – 5 hours	3	<ul style="list-style-type: none"> Great loop ride! Ride through stunning native wetlands, over boardwalks and ravines enjoying an abundance of delightful birdlife. Beautiful Kawakawa Bay is a great halfway point to stop for a snack and a dip in the lake. Anti clockwise riding is popular for providing the best 'reveals' around the lake edge. Stop for an ice-cream in Kinloch. Shuttle options available for a 20km shorter ride (Orakau to Kinloch).
Whakaipo Section	23 km 4 – 5 hours	3	<ul style="list-style-type: none"> Can start and finish in Kinloch or Whakaipo Bay. Ride through native bush to the headland to meet the aptly names Headland Loop which offers stunning views out over Tongariro National Park and the Kaimanawa Ranges. Several options to choose from for a great day ride with shuttle options available for shorter 14km ride (skipping the Headland Loop).

WIDELY REGARDED AS NEW ZEALAND'S BEST TWO-DAY ADVENTURE RIDE

Trail Grade	2 – 3 Trail is remote. Riders should be fit and experienced to tackle the full journey. There are shorter ride options available.
Length	84kms Total ascent 1,412m Total descent 1,765m
General Ride Time	Two-days. Average 4-5 hours per day.
Location	Pureora Forest Park, situated between Taupō, Te Kuiti and Taumarunui
Logistics	Most independent riders complete the journey using a shuttle from Ongarue to Pureora, then riding to Piropiro mid-ride accommodation and back to their vehicle or transfer at Ongarue.
Seasons	All year. Riders in winter need to be prepared for the sub alpine conditions with correct gear.
Accommodation (See partner information below for more)	Mid ride accommodation: <ul style="list-style-type: none"> • Timber Trail Lodge – off grid full-service offer. • Black fern Lodge – full or self-catering options • Camp Epic – Self-catering glamping and camping
Support Material	Maps are available free of charge on request or from our official trail partners.
Land Managers	Pureora Forest Park is managed by the Dept of Conservation (concessions apply where applicable) The Timber Trail is a partnership and works closely with our iwi and community partners.

BACKGROUND:

The Timber Trail opened as a Great Ride in March 2013, bringing together a two-day adventure ride that spans 84kms, across thirty-five bridges include eight suspension bridges.

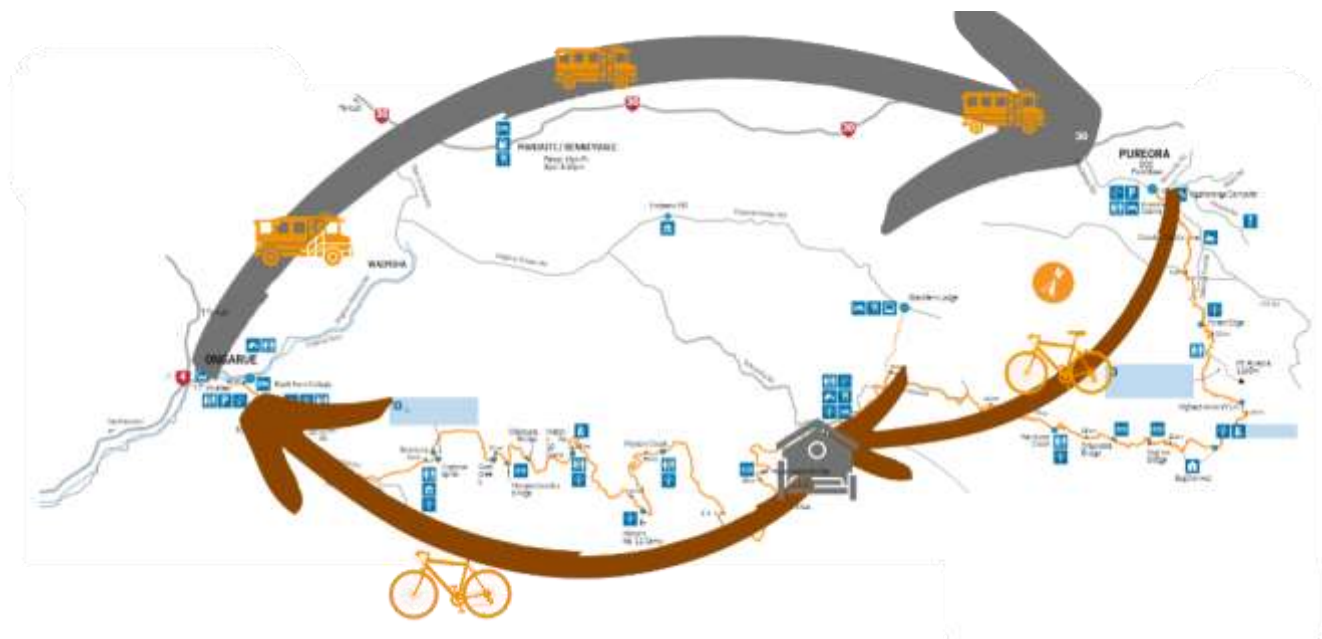

Traversing along the Hauhungaroa Ranges in the Pureora Forest Park, the Centre of the North Island, the trail is widely recognised as one of the top two-day adventure rides in New Zealand.

The all- year around trail experience features:

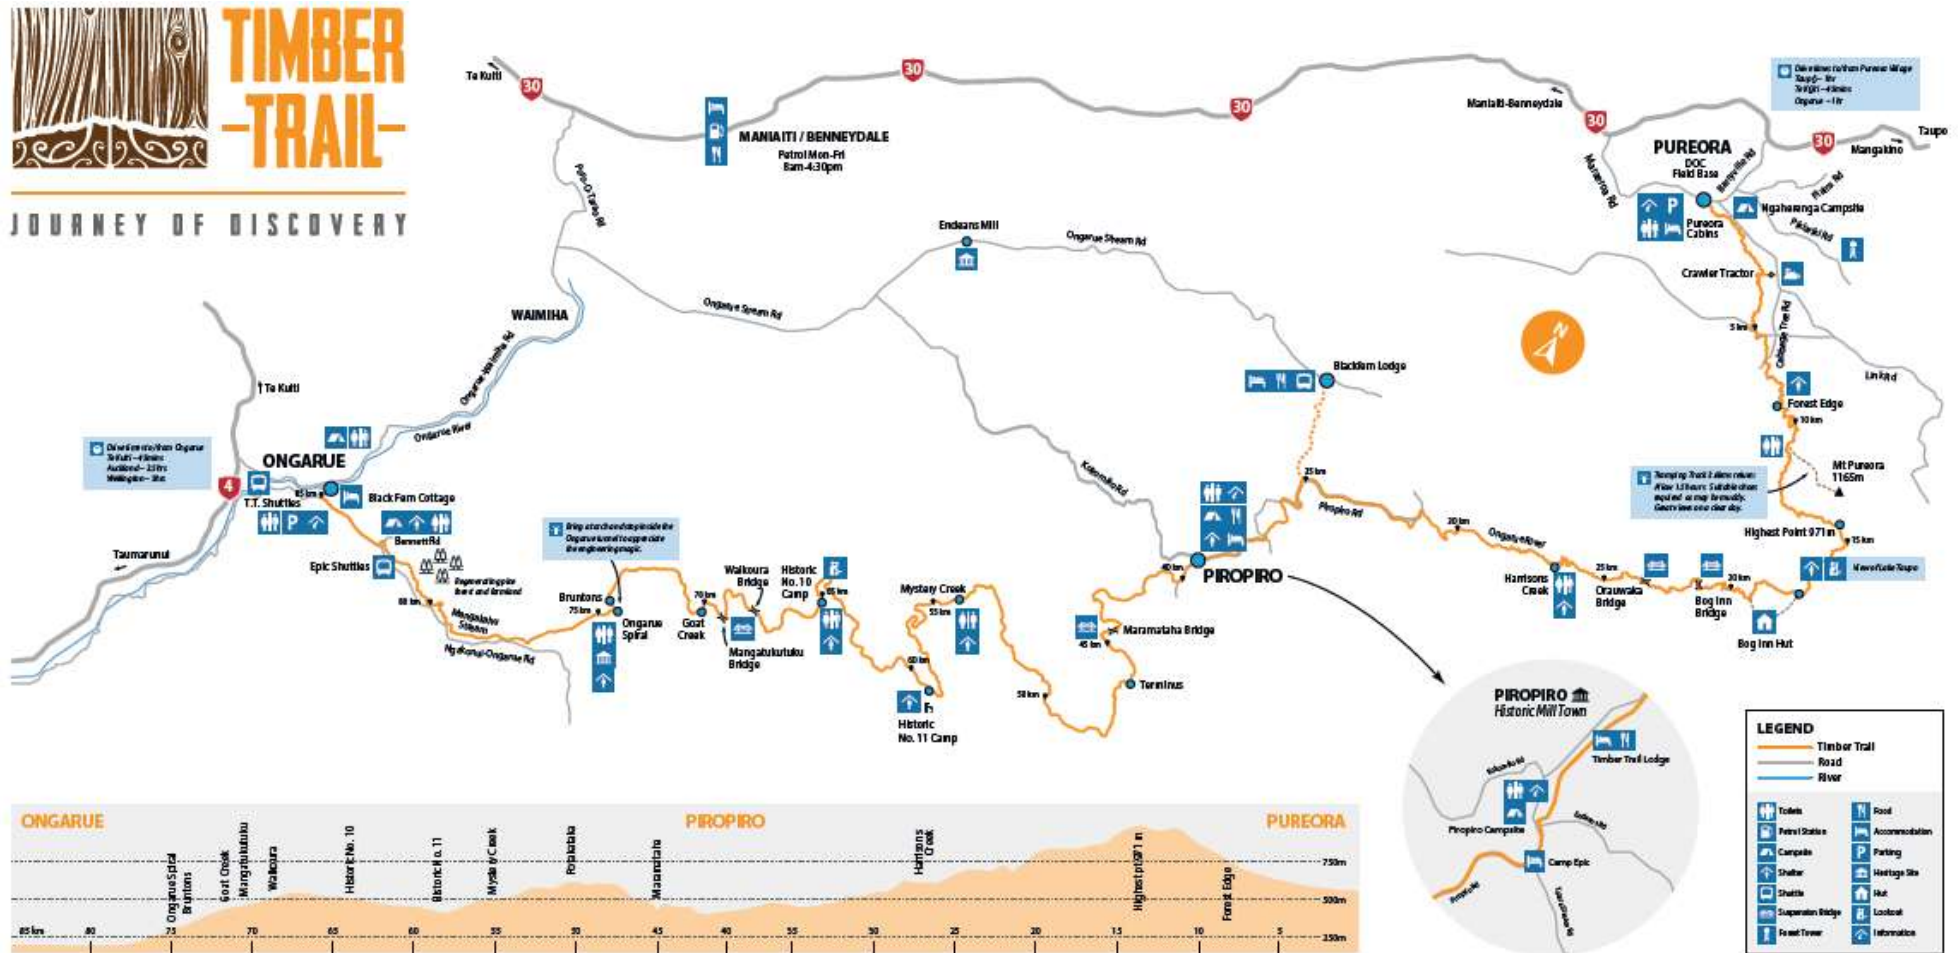

- Relics and base trail as remnants from the historic Ellis and Burnard bush tramways with unique engineering marvels including a rideable spiral and many bridge relics and signs of the hundreds of families who once lived in the ultimate flatpack moveable homes along the trail.
- Stories of protest and debate related to saving the last of New Zealand's rich and diverse podocarp forests from the chainsaws – saving stories, flora and fauna including the unique Pekapeka short -tailed bat, Kaka, Kereru, Tui, and the rare kōkako.
- Today the forest and trail feature a mix of virgin native bush, regenerating native bush and pockets of exotics.
- The trail is also situated in the heart of the King Country (Te Rohe Pōtae) with its rich iwi history (some of which can be found in the [Rereahu Chronicles](#))
- From the summit of Mt Pureora, the streams flow to the east eventually into the Might Waikato and to the west the significant Whanganui (protected as a legal entity)
- Mid ride accommodation choices include an off grid full-service lodge, glamping and a historic faming lodge now host to thousands of riders each year.

GENERAL TRAIL FLOW:

Shuttles depart daily for Pureora and Piropiro from Ongarue.

TIMBER TRAIL MAP

TIMBER TRAIL GUIDE INFORMATION

Section	Distance / Est Time Reqd.	Trail Grade	Trail Highlights
Pureora - Piropiro	39km 4 - 6 hours	3	<ul style="list-style-type: none"> • Traverse through the Pikiariki ecological reserve with its incredible cacophony of bird life (including the swooping kaka) • Historic crawler tractor • Regenerating bush • Climb Mt Pureora to 971m through single track in the sub alpine bush (including cloud forest) • Optional side trip (walk only) up the Toitoi track to the Mr Pureora summit 1,135m. • Views of Lake Taupō • Four suspension bridges (the first is 115m long) <p><u>Accommodation:</u></p> <ul style="list-style-type: none"> • Pureora Cabins
Piropiro			<p>Mid ride – site of an old mill town once home to a school, tennis courts and swimming pool_</p> <p><u>Accommodation</u></p> <ul style="list-style-type: none"> • Blackfern Lodge • Timber Trail Lodge • Camp Epic • Dept of Conservation Campground
Piropiro - Ongarue	45km 4 - 7 hours	3	<ul style="list-style-type: none"> • Undulating ride through tawa, tanekaha, and regenerating podocarp forest. • Four suspension bridges including the Maramataha at 141m long and 53ms about the stream. • Traverse along the Ellis and Burnard Bush Tramway with old relics, cuttings (with glow worms at night) and spectacular views and stories. • Ongarue Spiral – takes you round and under the trail. • Finish at either Bennetts Rd carpark and shuttle base or ride into the village or onward to Taumarunui. <p><u>Accommodation:</u></p> <ul style="list-style-type: none"> • Alexander Motels – Taumarunui • Blackfern Cottage – Ongarue • Timber Trail Farm stay. • Twin Rivers Cottage • Ongarue Cottage • Valley Retreat -Ongarue

Caterpillar Loop -Pureora	7km 1hr	2	The Crawler Tractor Loop is great for those who want to experience the Timber Trail but have limited time. The relatively short ride (7 km) goes through native forest to the site of the 1920s tractor, stranded in time. Return home via a gravel road to the Pureora carpark.
Maramataha Bridge -Piropiro From Maramataha carpark, Piropiro or ride the extra few kms from any of the accommodation options.	5 - 8km 1 - 1.5 hours	2/3	<ul style="list-style-type: none"> • Ride through regenerating native bush along single track to reach the Maramataha Bridge. • At 141m long, this iconic suspension bridge, sits 53meters above the Maramataha River. This river merges with the Ongarue river and eventually the Whanganui River and out to the Tasman Sea. • Fantastic photo opportunities mixed with interesting story telling signage along the route. <p><u>Bike Tour/Hire Operators:</u></p> <ul style="list-style-type: none"> • Epic Cycle Adventures • Timber Trail Shuttles and Bike Hire

Short walks in the area			
Forest Tower Walk - discover our ecology and history			<ul style="list-style-type: none"> • This 12 m high tower is a 10-minute walk from Bismarck Rd car park. It gives you an entirely different perspective of life up in the forest canopy. It is a good spot for observing native birds such as kereru (wood pigeon), kākārīki (parakeets), and kākā (forest parrot). • Extensive interpretive signage enroute tells the story of the protesters and movement that saved our forest in the late seventies and eighties. • From Barryville Road, take Pikiariki Road then Bismarck Road.
Pikiariki Loop (Tōtara walk)	30mins		<ul style="list-style-type: none"> • This easy loop walk winds its way among the awe-inspiring giant podocarps for which Pureora is famous - tōtara, rimu, mātai, miro and kahikatea. Ferns grow in abundance and if you are really quiet you may hear or see native birds such as tui, fantail, kākārīki, tomtits or robins. The Tōtara Walk includes interpretative signs and plant identification signs. • The track is accessed from Barryville Road, at the Timber Trail entrance.

MOUNTAINS TO SEA – NGĀ ARA TŪHONO

Website	Contact	Contact Details
mountainstosea.nz	Lynley Twyman Trail Champion	lynley@franklydone.co.nz info@mountainstosea.nz +64 21403036

Trail Grade	<p>Mostly Grade 3. Individual sections vary – see below for details.</p> <p>Some sections of the trail are remote, others more accessible.</p> <p>Riders should be fit and experienced to tackle the full journey. Most sections can be ridden as half and full day options giving flexibility to suit itinerary and rider requirements.</p>
Length	Up to 296kms Total of 306kms of connected trails
General Ride Time	Half to six-day options. Full journey 3-6 days
Location	Ohakune, Waimarino (National Park Village), Whakahoro, Pipiriki, Whanganui River Road, Whanganui
Logistics	<p>Most independent riders complete the journey using a shuttle and logistical support from our full-service providers.</p> <p>See individual sections below for more information.</p>
Seasons	<p>All year.</p> <p>Mangapurua – closed in Winter, alternative route is the Waipuna Connector Ride. Some operators may close in the quiet season – your logistics provider will be able to update you.</p> <p>Riders in winter need to be prepared for the sub alpine conditions with correct gear.</p>
Support Material	Maps are available free of charge on request or from our official trail partners, local I-Sites. We can provide these electronically as well on request.
Land Managers	The trail is a partnership managed by the Ngā Ara Tūhono Charitable Trust. Trail traverses both public conservation land, private land and district council land.

BACKGROUND:

Mountains to Sea – Ngā Ara Tūhono is one of 23 Great Rides, and one of the first to be constructed with the Ohakune Old Coach Road starting as a community initiative in 2008.

From Tongariro National Park's volcanic grandeur to the magical wilderness of the Whanganui River and the untamed Tasman Sea coast – our cycle trails will show you the sights, places and people that make our regions so special.

Known in Māori as 'Ngā Ara Tūhono' our connected pathways will take you to new adventures in a remarkable part of the world. Connecting two national parks the ride navigates alongside the tributaries and waters of the Whanganui river - with all their special stories for you to discover.

According to Māori tradition*, in ancient times three mountains, Ruapehu, Tongariro and Taranaki, lived together in the centre of the North Island. One day Taranaki attempted to carry off Pihanga, the wife of Tongariro. In the ensuing battle Taranaki was defeated. As he fled, he carved out the deep furrow of the Whanganui River so connecting our regions together inexorably from the mountains to the Tasman Sea.*.

In the late eighties (1987), there was a race forged by a hardy bunch of multisporters that traversed the valleys and hills and rivers of the area. It was tough and challenging but became quite popular - gathering real pace in the mid 90's before it took a break. While this race navigated from the Mountains to the Tasman Sea - its routes did not always follow the trail as it is today, but its inspiration planted a seed for something new.

In 2010, the Government of the time announced an economic development opportunity based on getting a New Zealand cycle trail developed. The teams at Ruapehu District Council, Whanganui District Council supported by the Department of Conservation and iwi identified the opportunity to connect some existing trails together (Ngā Ara Tūhono) for a truly unique journey from the mountains of Tongariro National Park to Whanganui and the Tasman Sea.

Today, the trail is managed as a unique entity with a partnership approach across the two councils, iwi partners, Department of Conservation through the Ngā Ara Tūhono Charitable Trust with support from the Government including MBIE, along with many passionate volunteers and supporters.

Our trails also owe their existence to the flow of the Whanganui River and everything we do around the trails should reflect the aspirations and values of Te Awa Tupua and the entity of the awa.

TRAIL SECTIONS OR FULL JOURNEYS

Mountains to Sea with its connected pathways can be included as individual short half or full day journeys or connected to create a full “Mountains” to “Sea” journey.

The information table below gives more detailed information. As the final trail sections are completed, the flow of the journey will come together. We can work with you to suggest itineraries that will work with your customers.

Journeys can take between three and six days and tailored to suit moderate to experienced riders. Hub and spoke options are also possible.
